The Apex Greenhouse is a beautiful, high-quality horticultural enclosure designed to last for years to come. It's the perfect size for a variety of home gardening projects:

- Get an Early Start on Seedlings
- Nurture Transplants
- Extend the Season for Herb and Vegetable Gardens
- Shelter Blooms from Early Spring and Late Fall Frosts
- Protect Delicate Blossoms from the Harsh Weather

Apex 6' x 8' Greenhouse gives you plenty of growing space

Easy to Set Up

You can assemble the Apex Greenhouse in just 5 to 7 hours using our easy-to-follow instructions (no special tools or skills required). And if you need assistance or replacement parts you can call our toll free hot line at 1-877-MASTGRO or visit our web site.

Tools Required

- Tape Measure
- Hammer
- Level
- Drill
- Work Gloves
- Silicone Sealant Approved for Polycarbonate
- Step Ladder
- Scissors
- Phillips Screwdriver
- 5/64" Metal Drill Bit
- Plastic or Rubber Mallet
- Lubricant (mild detergent solution and water)

Tough and Durable

Apex's crystal-clear panels are made from virtually unbreakable polycarbonate. They're shatter-proof, child-safe, and block 99.9% of the sun's harmful UV rays. Corrosion-resistant aluminum framing and vinyl-clad, snap-tight channeling create a sturdy structure that withstands harsh conditions.
