

Special Edition **Enthusiast**[™]
PC Greenhouse 6' x 8'

The HobbyGrower brand is a symbol for unique horticultural products with an emphasis on ease-of-use and value.

New patent-pending plastic manufacturing technologies and state of the art design have been combined to bring to market a value-priced, high-quality, easy-to-assemble greenhouse for horticultural enthusiasts.

The *Enthusiast* models are the perfect size for a home gardener who wants to get an early start on seedlings and transplants for the coming season, or a chef who wants a bounty of fresh herbs and vegetables year-round, or for a plant collector who wants additional protection against winter frost.

Pre-Framed Single-Layer
SnapGlas[™]
Polycarbonate Glazing Panels

Features new patent-pending SnapGlas[™] polycarbonate glazing panels for rapid assembly and Zero glazing fasteners. SnapGlas is as clear as glass, but it features 100% UV protection and is virtually unbreakable!

The Special Edition includes two roof vents, one air intake vent, and complete base kit.

Exceptional value for hobbyists

Easy to get home: Two 48" x 28" x 12" cartons, approximately 60 lbs. each, fits in trunk or ships by common courier.

Easy assembly: Approximately 3 to 6 hour set-up time.

Strong & sturdy: Designed to handle snow during winter.

Rust-proof design: Plastic & aluminum components.

Classic barn style roof: More head space.

Manual ventilators: Two roof vents and a rear-wall air intake vent for better air flow and cooling.

Large door: Door opening is nearly 6 1/2' tall, allowing for easy entrance & exit. New metal door handle and door frame stiffeners ensure excellent long-term performance and prevent sagging.

Single-layer Polycarbonate: Glass-like clarity, but virtually unbreakable. Highly impact resistant.

Easy expansion: 4' extensions kits are easily added, allowing for a 6' x 12' configuration.

Maximum safety: No glass to shatter or break.

Ask your Authorized HobbyGrower Reseller for accessory ideas such as benches, heaters, or irrigation systems.

Note: Optional tinted panels shown
